Subject: Did we break up?!!!

Hi,

Is it really over?!!! Can we do it again?!!! Actually I emailed Sarah on Saturday and said it was one week and since it was so much fun, could we do it again?

It went so fast--- ☹️ But other than that, wasn't it just the very best?!!! You are both amazing people and so many of our guests commented on how wonderful you and your team are and what a great event it was!!!! Remember, I kept saying I wanted a great party—and I think it happened! The young woman who actually was instrumental in getting Sarah and Eddie together knows them both as usually quiet people who don't draw attention to themselves. She told her Mom—my best friend---that she truly anticipated a nice but fairly quiet and calm reception. Then she told her Mom how surprised, and happy, she was that it was such a great time! Seriously, could we have fit another person on that dance floor?!!!

So I now feel like singing that song, "Is that all there is?" I feel like we were all going steady and now we broke up! Seriously, I really think you are both simply amazing people and I have already sung your praises to anyone who will listen! And there is absolutely NO QUESTION that I would do this all over again, however I am NOT ready for Abby to get married for about 20 years!

So, I must come to dinner at some point soon or I will have a serious case of Dan and Johanna withdraw!

Stay well, be happy, enjoy the holiday season---and much love to you both!

Peggy Littleton

Subject: THANK YOU!!

Hi Dan,

I apologize for sending this so late but Fred and I just returned from our honeymoon late last night. We wanted to give you a HUGE THANKS for making our wedding day perfect. We had the most amazing time and everything was so amazing. You and your staff were honestly so great. Thanks also to Johana for everything she did for us as well. We received your card and gift certificate for dinner for two so thank you for that as well! We can't come in and enjoy some more delicious food from Due Amici! Everyone spoke so highly of you and your staff, we could not have been more pleased. Thanks again for everything Dan and hopefully we will see you when we come in for dinner!

Thanks,
Diana and Fred Linett
