Subject: Thank you!

Johanna and Dan,

Thank you so much for everything you did for our wedding! It was truly the best day of our lives, and we will never forget how wonderful you helped us make it. The food was out of this world, and everyone is still talking about it. All the entertainment, and vendors were very thankful of your attention to detail and communication. We can't thank you enough, you really made our vision come to life! Thank you also for the sweet card and gift certificate! We can't wait to come visit you soon :) Just wanted to send a quick thanks because I know how hard you both worked to make all come together. I'll send a picture or two your way when we get them from the photographer :)

With Love,
Bernadette and Matthew
