I attached a few photos that you may or may not want to use for your facebook and website. Again, thank you so much for making our day perfect. The one thing people are still talking about, is how great the food is. You made several customers for life.

Can't wait for the next event we can book through Due Amici.

Dan and Johanna

Mike and I wanted to thank you for your awesome job at our June 1st Wedding at Valenzano. We couldnt have asked for a better caterer and coordinator for the ceremony and reception. All of the guests are talking about how smoothly the night went and how great the food was. They are still saying the hors d'oevres are the best they have ever had. Thank you for making our wedding planning easier and making our wedding day a perfect one. Can't believe we got that outdoor ceremony in! We really appreciate you taking the time to work with us to make sure our day was perfect. Thank you so much for everything!
